40 MILES OF FAITH

BIKE-A-THON

RIDING TODAY FOR A BRIGHTER TOMORROW.

SUPPORT THE MISSION. INVEST IN THE FUTURE.

Dear Friend,

I'm excited to share about my 40 Miles of Faith Bike-a-Thon, a ride to support the ongoing mission and longevity of Dream City Church.

Most church plants don't survive past year five. We are determined to be different. We're building something that lasts — something that matters — a church that reaches the lost, serves our city, and helps broken and hurting people find hope in Jesus.

Every mile I ride represents our commitment to keep going, to keep reaching, and to keep building a church that will impact generations. I'm asking you to partner with me through prayer and financial support.
